

SUPER 4T

4 STROKE MOTOR OIL

TECHNICAL DATA SHEET

Product Description

Veedol Super 4T 20W50 is a 4 stroke engine oil formulated from superior quality base oils with scientifically proven additives to deliver excellent lubrication properties. Super 4T offers superior protection against viscosity breakdown due to high revving engines with high operating temperatures.

Performance Specifications:

Meets API SJ and JASO MA performance requirements, meets or exceeds the requirements of most Motorcycle, ATVs and Snowmobiles with 4 stroke engine manufacturers

Features/Benefits:

- Formulated to offer top performance in Motorcycle, ATVs and Snowmobiles with 4 stroke engines.
- Stays cleaner, longer to ensure better lubrication for superior mechanical performance.
- Contains powerful anti-oxidants and dispersants that reduce accumulation and residue associated with high torque high stress engine operation.
- Resists viscosity breakdown at prolonged high temperatures.

THE PROFESSIONAL'S CHOICE

SUPER 4T

4 STROKE MOTOR OIL

TECHNICAL DATA SHEET

Typical Properties

		ASTM METHOD	SAE 20W-50
Kinematic Viscosity	cSt @100°C	D 445	18.8
Cold Cranking Viscosity, cP	@ -15°C	D 5293	6000
High Temperature, High Sheer, cP	@150°C	D 5481	4.0
Flash Point, °C		D 92	258
Pour Point, °C		D 97	-29

Properties mentioned above are typical only and minor variations, which do not affect the product performances, are to be expected in normal manufacturing.

Health and Safety

Veedol Super 4T Engine Oil is made with highly quality refined Virgin base oils and premium additives. As with any petroleum product, careful handling and good hygiene should be practised. Avoid prolonged skin exposure, splashing into eyes or ingestion. For more information, please consult our Material Safety Data Sheet (MSDS) which you can find at www.asaveedol.com
